- 4) The following “old brand codes” will be replaced by the “new brand codes”. Continue to order the “old brand codes” until they are no longer available at the distribution center, at which time the “new brand codes” should automatically replace them. At that time, please take a marking pen and change all “old” case stock to the new brand codes. If there are any issues with this process, you will be alerted in a Merchandise Bulletin.

The supplier has opted to change from a 12 unit case of naked bottles to a 12 unit case of 6 naked bottles and 6 bottles in a gift carton. Due to the fact that 6 bottles are in a gift carton, NABCA assigned the 4 digit codes which are usually reserved for gift packs. These are not OTO’s and should be ordered as regular items.

The Reposado has rolled over. Please order brand code 003678; brand code 089336 is inactive.
