

Bill Title: Liquor Self-Checkout Machines
Bill Number: SHB 1009
Effective Date: July 28, 2013
Amends: RCW 66.24

Summary:

This new law authorizes a retailer to sell liquor through the use of self-checkout registers provided specified requirements are met, including:

- those requirements relating to automated monitoring of attempted liquor purchases; and
- mandatory intervention in the transaction by an employee in order to verify identification.
