

## NOTICE OF RULE MAKING – Pre-proposal #09-10

The Washington State Liquor Control Board has entered into the initial stage of rule making on **Extended and Outside Service**. There are provisions in current law which allow some liquor licensed businesses to have extended and/or outside service. These services have unique issues, including those of public safety. Rules are needed to reflect these activities and to formalize associated public safety regulations.

The Liquor Control Board encourages you to give input on rules for **Extended and Outside Service**. Following the comment period, the agency will decide whether or not to propose rules. If rules are proposed, the agency will send out and publish proposed new rules and will hold at least one public hearing before rules are adopted.

This notice can be found at <http://www.liq.wa.gov/laws.asp> under Proposed Rules. The text of the WAC chapter under review can be found at [http://apps.leg.wa.gov/WAC/default.aspx?cite=Extended and Outside Service](http://apps.leg.wa.gov/WAC/default.aspx?cite=Extended%20and%20Outside%20Service)
